Lots of fun and a great experience!

My teacher was very friendly and all my lessons were extremely funny and interesting, for example, preventing an egg from getting broken or creating a website. I really enjoyed my classes. Highly recommended!

I like very good atmosphere in the classroom. I can ask questions when I don't understand. My host family is very nice and helpful.

Lessons and activities

The lessons are energetic and fun, and designed around the topics relevant to young learners. They focus on language development, individual and team projects, and communication. In the afternoon and evenings our students have organized cultural and recreational activities during which they can put their English into practice as well as learn about Oxford and England.

Accommodation

All our students under the age of 18 will stay with local English speaking families in Oxford, not too far from the School. Students will typically have a single or twin room.

Each Homestay provider is selected to a high standard and regularly inspected by our Accommodation Team. Our Homestay providers are welcoming, friendly and happy to host our students. Staying with a Homestay provider extends the learning experience after the School closes, as students will learn about living in Britain and British culture.

This school is so good, there are so many interesting lessons. I like class, because it is small group and I like activities in the afternoon.

Emanuel

I really enjoyed my course because it is well organized and there are very good teachers. And it's fun!

Safety and welfare

Oxford ILS has comprehensive welfare policies and procedures, with dedicated staff to create a comfortable and supportive environment for our young students. All staff, including Homestay providers, are friendly, approachable, DBS checked and safeguarding trained.

Arrival

Groups of eight or more arriving at an Oxford meeting point are greeted by a staff member of Oxford ILS. Students are then met and collected by their homestay host. For individual students arriving at a UK airport the School can arrange a taxi or Meet & Greet service at the chosen airport.

During the course

On the first day at School students receive a welcome pack and an induction to include: information about the School, Oxford, welfare, safety and emergency procedures. Each student will be told who to speak to if they need help or support and they will also receive an ID with a 24-hour emergency number. We have a high supervision ratio which ensures that there is at least one Oxford ILS staff member present for every 12 students. Additionally, every morning students are met at a central location by Oxford ILS staff and they walk together to the School.
